

1. Your name:

2. Contact email:

3. Contact number:

4. What is the name of your company?

5. Please give us an overview of your business in 140 characters or less:

6. Please tell us in more detail about what your company does or makes. What is new or special about it? What problem is it solving in the market?

7. Do you have a website or demo/prototype? If so, please share the URL and provide the username and password if necessary.

8. Tell us about each founder and their respective role.

**Founder #1**

First Name

Last Name

If there are more founders, please fill in separate document and send to us.

9. Please explain how the company will make money:

10. Please provide information on your competitors, including key differentiators. Please give us their URLs. Should you run out of room, please continue in a separate document and send to us.

11. What are some things that the team (or its members) have built in the past? Please include URLs.

12. Not including the founders, how many additional employees are there? Please provide more details.

13. Please provide information on funding your company has already raised and on your fundraising plans for the future.

14. Please describe your current progress and position. We want to hear about customers, user metrics, revenue, or any other indicators of success or progress.

Once this form is completed, please email to [apply@nestideas.com](mailto:apply@nestideas.com). Please note that all fields are required.
